Respect Each Other

Treat everyone in the laundromat with kindness, understanding, and consideration.

We do not reserve machines

There are no reserved machines for Laundry Love. We ask that you be patient in waiting.

NO pre-loading

Do not preload a machine prior to 4pm.

Use of machines before 4pm

If you use a machine prior to 4pm, we cannot reimburse you for your laundry.

Laundromat Policies

We are guests at the laundromat, this meaning all policies apply to participants and NWD staff.

Please be mindful

Please respect the time of others and do not move/remove clothing from a machine that does not belong to you.

Follow the Rules

Adhere to the agreed-upon rules and guidelines set by the laundromat and Now Wrong Door to promote harmony and order.

Last Load

Your last load of laundry needs to be in by 6:15pm. This will allot you enough time to wash and dry up to 3 loads before the end of the night.
